## Clean Water

# Water for all, thanks to Rotary!

Thanks to a Swedish - Kenyan Rotary project, over 100 tanks for clean rain water and still more toilets have been built in the poor rural areas in Kenya. Since the project started in year 2000, it has been so professionally ran that Sida (Swedish International Development Agency) via Forum-Syd (Swedish organisation collaborating for global justice), so far contributed 2 million SEK (Approx. Kshs. 20m) in addition to 250,000 SEK (Ksh. 2.5m), that the four main Rotary clubs responsible in Stockholm/Enköping have contributed.

### Liberates women and children from heavy burdens.

In rural areas of Kenya, it is mainly the women and children who work

hard to bring drinkable water to their families. It is not unusual for the women to spend up to 8 hours a day carrying 20 litre water buckets from the poor streams and wells several kilometers away.

Rotary contributes to the training of the construction workers, the equipment of the houses with corrugated steel roofs, building of the water tanks - sized by need - and that roofs and tanks are connected via a hanging chute to gather rainwater into the tanks. In most cases, the stored water will last in between rainy seasons, approx. 2-3 months, for cooking and drinking purposes. And the women and children can spend the days doing other things than carrying water.

**Stressed? Loose it now!**

*President Ashok Shah presents a gift to Dr. Peter Kamunyo, a medical doctor. Dr. Kamunyo, spoke to us on how to live with and manage stress in a modern world. The presentation included healthy tips on keeping stress under control, effects of ACUTE stress & CHRONIC stress. Stress has been termed by the UN as the 21st century killer and it's almost impossible to go through the day without either seeing or hearing one or more references to stress. Thus, it can be stated beyond doubt, that STRESS is an inevitable part of our lifestyles. Thanks Dr. Kamunyo for the tips and we can only hope to follow them without getting Stressed!*

## “The Kenyan Economy should brace itself for tougher times ahead!” - DeSimone

*With the current global economic slump, we all must be wondering where to invest our hard earned monies and the gravity of the subprime mortgage induced crisis on Kenya and Africa. A connoisseur of the fiscal world was in the house to enlighten us on this worrying scenario. The CEO of Kestrel Capital (East Africa) Ltd., a CMA Licensed Investment Banker and a Member of the Nairobi Stock Exchange, Mr. Andre DeSimone, spoke on the very pertinent and apt topic "Investments in Kenya and Africa, post the current global economic crisis." He took the very attentive audience through the steps that have brought us to the current situation globally. He also expounded on the workings of the Nairobi Stock Exchange and sort to reassure many an investor, who have seen their investments eroded in recent times at the NSE.*

### Message from the District Governor - 2009 District Conference and Assembly

Greetings to you in Rotary!

I am glad to note that I am nearing the completion of my official visits to the Clubs. During the visits all Club members have promised me that they will attend the 84th District Conference & Assembly in large numbers, going by the 4 Way Test.

It is my pleasure to officially announce that the venue of the 84th District Conference & Assembly has been changed from the Kenyatta International Conference Center (KICC) to the ultra modern facilities of the United Nations Complex in Nairobi.

Please note that all the registration fees will remain unaffected. The District Conference Committee has stepped up the gear in the preparations. In

due course you will be receiving finer details and related announcements on the Conference from the Conference Chairman James Gachui and his Committee.

I would like to remind all Rotarians and Guests to take advantage of the early registration deadline to register before 31st December 2008 to enjoy the discounted rates. I look forward to hosting you all to a memorable District Conference and Assembly from 13th to 16th May 2009.

Best regards and God Bless,

DG Kaushik Manek
